THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. At Josefov (051/G82) is located a training center for Czech army medical corps staff, which is attended by about 200 corpsmen from hospitals throughout Czechoslovakia and by about 30 privates sent from Military Hospital I in Stresovice (051/I78). The course includes theoretical and practical medical training, battle training and political education. The commanding officer of the medical training center is Colonel Riba, [redacted]

50X1-HUM

[redacted]
His deputy is Colonel Dr. Blazek
[redacted]
Also attached to the staff is Staff Captain Vida, [redacted]

2. About one kilometer west of the Josefov-Jaromer railroad station is the Na Lubinach ammunition dump, which consists of six brick ammunition warehouses, each surrounded by a brick wall two meters high and topped by a two-strand electrified wire. Two of the warehouses contain barrels and are guarded by civilians. Two of the military warehouses contain powder; one contains various types of ammunition and one contains light weapons. These four warehouses are guarded by soldiers. Each warehouse is connected by telephone with the guardhouse which controls the dump. The commander of the dump is 50X1-HUM
2nd Lt. Husak, [redacted]
